PRESIDENT'S MESSAGE

As the school year quickly passes, we reflect on the many enjoyable activities we have had throughout the year. In October everyone enjoyed the CHED Video Lunch and the Halloween Dance which brought the month to a pleasant end. School spirit was going strong in December as the students sponsored Christmas charities by buying "candy-o-grams" and entering a raffle for a gingerbread house. At the end of the month we were all in the Christmas spirit and enjoyed a Christmas Dance. In February we celebrated Valentine's with a dance that featured the King and Queen of Hearts.

We would like to express our thanks to the students of Hardisty for making this a fun-filled year, and to the Students' Council for sponsoring the many activities. We hope the grade seven and eight students continue to exhibit enthusiasm and school spirit in the future.

Good luck to all!

PRINCIPAL'S MESSAGE

It is my sincere hope that students at Hardisty Junior High School have acquired the desirable characteristics, attributes and benefits from their association with the school, their friends and teachers. By reflection, we realize that school is more than the prescribed curriculum. It is these social experiences that will help to determine future successes in life.

The end of a school term is also a time for mixed emotions. Students will have experienced a feeling of accomplishment and will be in anticipation of the future. Face the future with optimism, courage and determination, as you have a right to develop yourself to the best of your ability. Set a high standard for human dignity. Take all opportunities available so that we may continue to maintain our freedoms.

Our sincere thanks are extended to Mr. Bihun and our Yearbook Club for their excellent effort. Their hard work and imagination has made this yearbook a reality.

To those students who will leave Hardisty this year, we wish you every success. May the future bring happiness and satisfaction in the years to come.
